Dr. Rohan Shetty is an established surgical oncologist in Mangalore with more than 16 years of experience, focuses on complex cancer surgeries involving all major organ systems. Also, a trained robotic surgeon since 2016 and regularly performs robotic and minimal access surgeries. As an Associate Professor in the Department of Surgical Oncology, is an astute teacher who is a recognized guide for MCh postgraduates and PhD candidates. Also manages all patient related activities in the department. A regular speaker at national conferences on topics related to surgical oncology, robotic surgery, and innovation in healthcare.

Beyond clinical expertise, Dr. Rohan Shetty is a passionate researcher actively involved in multiple basic science projects, clinical research projects and clinical trials. His innovative spirit extends to co-founding a startup "Emys Bionics Pvt Ltd", which develops patient-specific implants, surgical devices, and innovative solutions for post-treatment rehabilitation of cancer patients' healthcare. An ardent believer of cost effective and patient friendly treatments and has volunteered in numerous awareness and screening camps.

Skills

- Surgical Oncologist capable of performing complex cancer surgeries independently for all major organ systems.
- Trained robotic surgeon and has been performing robotic surgeries since 2016.
- Upper G.I endoscopy and Colonoscopy
- Clinical Trials - protocol development and execution
- Basic and Applied Research in cancer biology
- Innovation and Translational research

Work History

2008-08 -
Current

Consultant Surgical Oncologist

Mangalore, India

Freelancing surgical oncologist in Mangalore with focus on

- Head and Neck oncology
- Breast Oncology,
- G.I oncology
- Urological and Gynecological oncology

- Performed over 5000 major and supra major surgeries in oncology independently.
- Skilled in Upper G.I endoscopy and Colonoscopy.

Trained robotic surgeon and regularly performing robotic surgeries since 2016

2020-10 -
Current

Associate Professor

Zulekha Yenepoya Institute of Oncology,
Yenepoya Medical College Hospital, Mangalore, India

- OPD Consultations, preoperative work up, surgery and postoperative care of cancer patients with independent decision making, as well as team member.
- Performing complex surgical oncology work
- Performing robotic and minimal access surgeries
- Training MCh Surgical Oncology postgraduates,
- Mentoring PhD candidates as guide
- Principal Investigator and Co-investigator in various research projects & clinical trials

2016-04 -
2020-10

Assistant Professor

Department of Surgical Oncology,
Yenepoya Medical College Hospital, Mangalore, India

2013-09 -
2016-04

Associate Professor

Department of General Surgery
KS Hegde Medical Academy, Mangalore, India

- Surgical oncology work, general surgery procedures
- Under-graduate and Post-graduate training
- PG guide

2008-09 -
2013-09

Assistant Professor

Department of General Surgery
KS Hegde Medical Academy, Mangalore, India

Education

MBBS

Sri Devraj Medical College, Kolar, India

Master of Surgery: General Surgery

Father Muller Medical College, Mangalore, India

Senior Residency: Surgical Oncology

Kidwai Memorial Institute of Oncology, Bengaluru, India

Fellowships and Awards

- **2024** Fellow of Society of Surgical Oncology (FSSO)
Society of Surgical Oncology, United States of America
- **2021** Fellow of the American College of Surgeons (FACS)
American College of Surgeons
- **2021** Fellow of Royal College of Surgeons (FRCS)
Royal College of Physicians and Surgeons of Glasgow,
Glasgow, United Kingdom
- **2011** Member of Royal College of Surgeons (MRCS),
Royal College of Surgeons of Edinburgh,
Edinburgh, United Kingdom

Clinical Trials

- Clinical and functional assessment of PEEK-based implants for craniofacial reconstruction, Ongoing, Funded by Atal New India Challenge, Co-Investigator
- GlobalSurg-CovidSurg Week: determining the optimal timing for surgery following SARS-COV-2 infection – a multicenter trial, Completed, NIHR Global Health Research Unit on Global Surgery, Collaborator
- Outcomes of surgery in COVID-19 infection: India Cohort Study (CovidSurg India) – a multicenter trial, Completed, NIHR Global Health Research Unit on Global Surgery, Collaborator

Grants and Research Projects

- EasyStoma : A novel colostomy appliance system, Ongoing, Elevate 2023 Grant – Karnataka Start-up cell, Principal investigator
- 3D printed PEEK reinforced Molybdenum Disulfide Nanosheets Composite Scaffold for Craniofacial Reconstruction, Ongoing, Faizal Shabana Foundation, Co-Investigator
- Preclinical Evaluations of Tungsten Diselenide Nanosheets for Photothermal Therapy of Oral Squamous Cell Carcinoma, Ongoing, Seed grant, Co-Investigator
- Genome-wide Association Studies (GWAS) for screening the gene mutations in oral squamous cell carcinoma, Completed, Seed Grant, Co-Investigator
- EGFR dysregulation in Oral Squamous Cell Carcinoma Ongoing Seed grant

- Discovery of putative kinases having diagnostic and prognostic value in triple negative breast cancer by using Multi-omics approach.
- Gut microbiome and cancer cell crosstalk as a molecular drug target colon cancer ICMR funding
- Evaluation of HER2 gene amplification in breast cancer by qPCR, IHC and FISH Ongoing

Affiliations

- Member of IMA (Indian medical Association)
- Member of ASI (Association surgeons of India)
Title Status Funding Position
- Member IASO (Indian Association of Surgical Oncology)

Additional Training

2020 Online course on Introduction to Genomic Technologies,
John Hopkins University

Textbooks/ Chapters

- 1) Authored a chapter on Clinical features and Staging in 'Yenepoya Student Series Vol – I Oral Cancer' (ISBN – 978 – 81-934857-7-4)

Social Responsibilities

- 1) Part of Cancer Awareness and Outreach Program (CAOP), which creates awareness about cancer in general public
- 2) Resource person in 'Enhancing knowledge and skills of National Service Scheme (NSS) Programme officers to educate community on control and prevention of common cancers'
- 3) Resource person in training ASHA and Anganawadi workers of Udupi district to spread awareness on common cancers
- 4) Part of numerous screening and early detection camps conducted across five districts of Karnataka
